NOTES FOR MEMBERS – 2010/11 SEASON

THE CLUB:

The Cheltenham Civil Service Tennis Club (CCSTC) is affiliated to the Civil Service LTA, Gloucestershire LTA and the Cheltenham Area Civil Service Sports Association (CACSSA). Four hard courts are available and are situated at the Civil Service Sports Club, Tewkesbury Road, Uckington, near Cheltenham.

MEMBERSHIP:

Before joining the Tennis Club you must be a member or have applied for membership of CACSSA. This should be confirmed by including a valid CACSSA membership number on your application form.

Membership of the Tennis Club runs from 1 April 2010 to 31 March 2011. The current subscriptions are shown on Page 1 of the details and application form.

SOCIAL TENNIS:

This is played on Tuesday (4 courts) and Thursday (3 courts) evenings. On these occasions it is the policy of the Club for players to mix in as much as possible. This means that after playing a short or tie-break set, a four must finish and rejoin the ladder of people waiting. When a court becomes free the person whose name is at the top of the ladder picks a four from the first eight on the list. For the 2010/11 season, social tennis officially starts on **Tuesday April 6th**. Tennis balls are provided.

MATCHES:

This season the Club has 4 ladies and 5 mens teams in the Gloucestershire League. Home matches are played on Mondays, Wednesdays and Fridays and will normally take up courts 2 and 3. Occasionally it may be necessary to use all 4 courts or to play some matches on Saturday afternoon, but these events will be detailed either in the Membership Card or on the Club noticeboard. The Membership Card gives details of all league matches. For members keen to impress the team captains, we hold early season practice nights at which one aim is to seek out new talent for the league campaigns. At anytime, other than Tuesday and Thursday evenings and Sunday afternoons, when courts are free they are available for members to arrange their own games. Whenever there are people waiting for a court the general rule is that the court must be given up at the end of the current set.

VISITORS:

A member can invite and play with up to 3 visitors at any one time. A charge of £1 per person per session is payable and no visitor may play more than four times in a season. Details of visitors should be entered in the Visitors Book in the pavilion. Fees may be put in the appropriate tin in the ball box or they will be collected at the end of the season.

COURTS:

All four courts are colour-coated and the club boasts high quality playing surfaces. Two of the four courts are floodlit. Please note the following points regarding the floodlights. The charge is £1 per court, per half-hour. The meters accept £1 coins only and are in the Squash court hall mounted vertically on the left wall as you go in (so make sure you know the combination for the white sports changing room external door). The coin slot is on the upper right hand side. The top meter is for Court 2 and the bottom one is for Court 3. The lights will turn off at 10.00 p.m. even if you have credit. They take a few minutes to get up to maximum power. If they go off before you can put more money in the slot they take about 15 minutes to come back on so make sure you plan ahead. Five minutes before they go off a red warning light comes on (one for each court). These are mounted on one of the floodlight columns. When the last lights go out, a courtesy lamp comes on automatically to help collect balls and find your way off court. It goes off automatically after 5 minutes. All times are easily adjustable so let the committee know if these are too long or too short.

SECURITY:

On joining the Club you will be issued with a combination number which opens both the court padlock and the metal box containing the key to the pavilion. This box is attached to the one of the netting support posts. If you are the last to leave, please secure the ball box, pavilion and courts. On joining the club you will also be issued with shoe tags to identify you and your family as members. Please wear these tags at all times on court. If you don't you are likely to be challenged to prove your membership by other means such as producing your membership card.

PERSONAL DETAILS:

If you change your address, phone number etc. during the season, PLEASE let the membership secretary know.
